Date of Completion:

Standard Ten (Management): School Operations

The effective educational leader develops and implements structures to maximize learning through relationships, management, fiscal responsibility, and adherence to district and state laws, policies and procedures.

ODEW Essential Question for the Standard: Have I demonstrated a comprehensive understanding of school operative functions, procedures and policies?

OLAC Focusing Questions for Principals' Self-Reflection: By Standard-

1. Would I benefit from learning about operational management structures designed to maximize the learning of adults and students? Resources include:
    - OLAC Module: Resource Management
    - OLAC Module: Educational Equity: Understanding Why It's So Important
    - Ohio Department of Education and Workforce: Integrated Student Supports
    - OECD: The Funding of School Education: Connecting Resources and Learning (2017)

OLAC Focusing Questions for Principals' Self-Reflection: By Indicator-

10.6: The effective educational leader collaborates with local authorities and students, staff and other stakeholders to create, implement, monitor and maintain a school safety plan, per state regulations.

1. Would I like resources to help my school create and maintain a comprehensive school safety plan? Some include:
    - Ohio School Safety Center
    - Ohio Department of Education and Workforce: Integrated Student Supports
    - Ohio Department of Education and Workforce: Anti-Harassment, Intimidation, and Bullying Resources
    - SchoolSafety.gov: Readiness and Emergency Management for Schools (REMS)
    - Success by Design: A Principal's Guide to Crisis Management and Recovery
