With a shared vision for building the capacity of those who lead, teach, and serve students in Ohio's schools and beyond, we are excited to announce a partnership between OLAC and the Ohio PBIS Network to host a joint event this year. This one-day conference will combine the best of the OLAC Action Forum and the Ohio PBIS Showcase.

What You Can Expect

Like our past events, you can expect high quality content from experts and practitioners from around the state and across the U.S., as well as opportunities to network and collaborate—the only change will be that it will be from the comfort of your own home or office.

- Ensuring equitable learning opportunities
