

BASA and the Ohio Leadership Advisory Council
are pleased to present...

"OLAC Training for External and Internal Facilitators"

**Ohio Leadership
Advisory Council**

Ohio Leadership Advisory Council (OLAC)
will be offering a series of regional trainings.

**Bring your laptops and ideas! The next session will be held at the
following location:**

- Xavier University Campus
Smith Hall, Room 344
February 21
Session: 4:30–7:30 p.m.

Become a Certified OLAC Facilitator

By becoming a certified OLAC Facilitator, you will become familiar with and gain an enhanced working knowledge in the following:

- The **NEW** OLAC website with updated look and enhanced functions
- Ohio Improvement Process
- How to use the content of the modules, webinars and podcasts to enhance the effectiveness of district and building leadership teams (DLT, BLT, TBT)
- **Ohio Principal Evaluation System (OPES)**—Lead Superintendents/Principals through the Principal Standards Crosswalk—this crosswalk aligns relevant OLAC module materials to each element and standard within the Ohio Principal Standards which represent the basis for the OPES
- **Ohio Teacher Evaluation System (OTES)**—Lead Principals/Teachers through the Teacher Standards Crosswalk—this crosswalk aligns relevant OLAC module materials to each element within the Ohio Standards for the Teaching Profession which represents the basis for the OTES
- OLAC Facilitators will be able to demonstrate how Superintendents, Principals, and Teachers can develop a **Professional Growth Plan** that has anytime capability and is free to the participants
- **Credit Options**—OLAC Facilitators will become familiar with templates of various workshop offerings using OLAC Modules that can be presented to colleges and universities for consideration for college credit. Facilitators will also become familiar for LPDC credit options available through the OLAC website.
- **OLAC Facilitators will also:**
 - Examine Case Studies of how OLAC Modules are being used
 - View webinars and create questions/activities from the content
 - Learn to develop a workshop using an OLAC Module
